Via Leonardo da Vinci 43, I-20090 Trezzano Sul Naviglio, Italy  
- hereinafter sometimes referred to as "Seller" -

and

Bio-Rad Laboratories SRL

Via Cellini 18/A, I-20090 Segrate (Milan), Italy  
- hereinafter sometimes referred to as "Buyer" -

- Seller and Buyer hereinafter individually and collectively  
sometimes referred to as "Party"/"Parties" -

- 2 -

### Preamble

WHEREAS, Biotest Aktiengesellschaft, Dreieich/Germany, and some of its subsidiaries (including the Seller) on the one side, and BIO-RAD Laboratories, Inc., Hercules, California/USA, and some of its subsidiaries (including the Buyer) on the other side, entered into and agreed upon a sale and purchase agreement dated November 4, 2009 (document no. 60/2009 of notary Dr. Conrardin Cramer, Basel/Switzerland) - the "Sale and Purchase Agreement" - by which the Seller sold certain Assets pertaining to the immunology business including the merchandise business as more specifically defined in the Sale and Purchase Agreement ("the Business") to the Buyer; and

WHEREAS, the Sale and Purchase Agreement provides that the Assets are not transferred by virtue of the Sale and Purchase Agreement, but by a separate transfer agreement to be executed at the Closing Date of the Sale and Purchase Agreement;

Now, therefore, the Parties hereto enter into and agree upon this asset transfer agreement (the "Agreement"):

### Section 1 Transfer of Assets/Structure of the Transfer

- 1.1 The Seller hereby transfers to the Buyer, subject to the terms and conditions of this Agreement and the Sale and Purchase Agreement with effect as of the Closing Date of the Sale and Purchase Agreement, (i) inventory, (ii) the rights and obligations relating to employment agreements and (iii) the rights and obligations relating to other agreements, in each case as specified in this Agreement and pertaining to the Business (hereinafter collectively referred to as the "Assets").
- 1.2 The Assets are in each case transferred (i) including all Assets pertaining to the Business and acquired in the ordinary course of business between the Date of Signing of the Sale and Purchase Agreement and the Closing Date, and (ii) less any items damaged, lost, sold or disposed of in the ordinary course of business since the Date of Signing of the Sale and Purchase Agreement through the Closing Date.

- 3 -

**Section 2**  
**Transfer of Inventory**

- 2.1 The Seller hereby transfers to the Buyer legal title to inventories and promotion materials as described in Exhibit 2.1 (hereinafter referred to as "Inventory").
- 2.2 The Seller hereby also transfers to the Buyer legal title to other tangible assets as described in Exhibit 2.2 (hereinafter referred to as "Other Tangible Assets").
- 2.3 The Seller will physically deliver the Inventory and the Other Tangible Assets to the Buyer as promptly as practicable.
- 2.4 If and to the extent that the Buyer does not take physical possession of the Inventory and the Other Tangible Assets transferred hereunder, the Parties hereby agree that the Seller shall hold possession of such Inventory and Other Tangible Assets in safe custody for and on behalf of the Buyer without any additional charge and/or costs for the Buyer until the end of a four weeks term following the Closing Date. The Buyer shall be entitled at any time during business hours to take physical possession of such Inventory and Other Tangible Assets, and any right of the Seller to retain such Inventory and Other Tangible Assets is hereby expressly waived and excluded.
- 2.5 If and to the extent certain Inventory or Other Tangible Assets or parts of such Inventory or Other Tangible Assets have been delivered to the Seller under retention of title clauses, the Seller hereby transfers and assigns to the Buyer any and all contingent interest in legal title to such Inventory and Other Tangible Assets, including all claims for physical delivery, in order that the Buyer shall obtain full legal title after payment of the relevant purchase price, notwithstanding the obligation of the Seller to transfer clear legal title of any such Inventories and Other Tangible Assets without encumbrances, limitations and restrictions.
- 2.6 The aforesaid provisions shall apply *mutatis mutandis*, if the Seller holds joint or fractional title to such Inventory or Other Tangible Assets.
- 2.7 The Buyer hereby accepts all aforementioned assignments as well as transfer of title and possession.

- 4 -

**Section 3**  
**Transfer of Customers and other Information**

- 3.1 In addition to the Inventory and Other Tangible Assets, the Seller hereby transfers to the Buyer, and the Buyer hereby acquires all intangible assets relating to the Business, including all orders placed with and/or confirmed by the Seller until the Closing Date and related to the Business.
- 3.2 If the Seller receives any orders or inquiries from customers or third parties following the Closing Date and relating to the Business, the Seller shall forward such orders and inquiries to the Buyer.
- 3.3 The Seller hereby transfers to the Buyer in particular all customers related to the Business solely in respect of the products and services of the Business, and undertakes to make available to the Buyer the names and addresses of such customers and all other information related thereto, including but not limited to customer lists, correspondence with customers, past proposals and other documents. The same shall apply for all suppliers of the Business.
- 3.4 The Parties hereby agree that title to all documents with respect to orders, inquiries as well as the total correspondence with customers and suppliers pertaining to the Business shall pass to the Buyer with effect as of the Closing Date, as well as any other correspondence and documents relating to contracts with third parties, including guarantees, warranties, public permits, agency agreements, distributor and lease contracts - all if and to the extent they refer to or are related to the Business.
- 3.5 Accounting documents and accounting records of the Seller shall not be transferred to the Buyer. The Seller shall preserve the accounting documents and accounting records related to the Business during the relevant statutory periods and shall promptly make them available to the Buyer or any of its representatives upon request.
- 3.6 The Buyer hereby accepts all aforementioned transfers and assignments as well as transfer of possession.

- 5 -

#### **Section 4 Transfer of Contracts**

- 4.1 Subject to the terms and conditions of this Agreement and the Sale and Purchase Agreement, the Seller hereby transfers and assigns to the Buyer, and the Buyer hereby assumes all obligations of the Seller with effect as of the Closing Date resulting from the contracts related to the Business and referred to in Exhibit 4.1. The Buyer acknowledges and agrees that the transfer, assignment or novation by the Seller to the Buyer of the benefit and burden of the contracts transferred under this Agreement may be subject to the consent of the relevant counterparties. The Parties agree that notification in an agreed form shall be issued to the counterparties to the contracts transferred under this Agreement as soon as practicable.
- 4.2 If and to the extent the consent of third parties is required for the transfer, assignment or novation of such contracts or any rights and obligations thereunder, and such consent is not obtained by the Closing Date, the transfer shall be subject to such consent and the Parties shall cooperate and use their best efforts to obtain such consent. Pending receipt of such consent, the Parties shall act as provided for in the Sale and Purchase Agreement.

#### **Section 5 Employees**

The Buyer shall take over with effect as of the Closing Date the employees of the Seller pertaining to the Business listed in Exhibit 5. To the extent that the employment contracts are not automatically transferred to the Buyer by operation of law, the Seller hereby transfers and assigns to the Buyer, and, except as specifically provided for in this Agreement or in the Sale and Purchase Agreement, the Buyer hereby assumes all rights and obligations out of the employment agreements of the aforesaid employees with effect as of the Closing Date.

#### **Section 6 Assumption of Liabilities**

Except as specifically provided for in this Agreement or in the Sale and Purchase Agreement and the rights and contracts transferred hereunder, the Buyer shall

- 6 -

not assume any liabilities or obligations of the Seller. The Seller shall, therefore, hold the Buyer harmless and indemnified against any liabilities and obligations not assumed and transferred under this Agreement, subject to the restrictions and limitations agreed upon in the Sale and Purchase Agreement.

### **Section 7 Assignment of Rights and Undertakings**

This Agreement and any rights and obligations hereunder may be assigned and transferred in the aggregate or in part and shall enure to the benefit of and shall be binding upon the relevant successors or assigns of the Parties hereto, but may not voluntarily be assigned and transferred in the aggregate or in part without the prior written consent of the other Party thereto.

### **Section 8 Purchase Price**

The purchase price for the Assets shall be € 971,000.00 (hereinafter referred to as the "Purchase Price"). The Purchase Price shall be paid at Closing to the Seller as provided in the Sale and Purchase Agreement.

### **Section 9 Value Added Tax, Register Tax**

- 9.1 The Parties assume that the sale and transfer of all assets, rights and obligations under this Agreement is to be considered as a transfer of a business as a going concern (TOGC) and that no value added tax (VAT) will be payable. Seller declares to be an entrepreneur within the meaning of the applicable VAT Act and that the transfer is being affected within the scope of his enterprise. Seller further declares that the transferred business was operated as a self-contained business and that all assets which are essential to run the Business are transferred to Purchaser. Purchaser declares to be an entrepreneur within the applicable VAT Act, that the purchase is being made for entrepreneurial purposes and that Purchaser intends to continue the purchased Business.

- 7 -

- 9.2 Should the sale and transfer of all assets, rights and obligations under this Agreement entirely or partly be determined by the relevant tax authorities to be subject to VAT, Buyer shall pay the VAT in addition to the Purchase Price allocated to the assets, rights and obligations under this Agreement against Seller's prior submission of a valid VAT invoice eligible for a refund of the VAT payable. Any penalties and interests arising from the VAT treatment of the transaction as a taxable event shall be borne solely by Seller.
- 9.3 The Buyer is obliged to pay any register tax if applicable.

#### Section 10 Miscellaneous

- 10.1 This Agreement is subject to the laws of Italy. The applicability of the United Nations Convention on the International Sale of Goods (CISG) shall be excluded.
- 10.2 Section 23 (Arbitration) of the Sale and Purchase Agreement shall apply to this Asset Transfer Agreement and is hereby incorporated by reference. As a partial derogation of Section 10.1 above the relevant arbitration clause is subject to the laws of the Federal Republic of Germany.
- 10.3 Defined terms in this Agreement shall have the same meaning as the corresponding defined term in the Sale and Purchase Agreement. In case of any deviations of this Agreement from the Sale and Purchase Agreement, the Sale and Purchase Agreement shall prevail.
- 10.4 All amendments to this Agreement, including, without limitation, a change of this clause itself, must be made in writing and with express reference to this Agreement, unless notarization or any other form is required.
- 10.5 All exhibits are an integral part of this Agreement.
- 10.6 If any of the provisions of this Agreement shall become or be held invalid, ineffective or unenforceable, all other provisions hereof shall remain in full force and effect. The invalid, ineffective or unenforceable provision shall be deemed to be automatically amended and replaced without the necessity of further action by the parties hereto by such form, substance, time, measure and jurisdiction as

- 8 -

shall be valid, effective and enforceable and as shall accomplish as far as possible the purpose and intent of the invalid, ineffective or unenforceable provision. The aforesaid shall apply *mutatis mutandis* for any situation not contemplated and covered by this Agreement.
